

ShieldAll® 2000 Series

Limited Warranty Against Wood Boring Insects

Protective Chemistries Incorporated (PCI) warrants to the applicator of ShieldAll® 2000 Series (ShieldAll 2020 & 2060), for the limited warranty period from the application date, ShieldAll® 2000 Series will resist wood boring insects from penetrating through the dried film under normal operating building conditions when applied to a clean exposed surface in strict accordance with the application guide located on the ShieldAll® 2000 Series [Technical Data Sheets](#) and the additional requirements of this Warranty. A current copy of the product data sheet may be obtained from PCI via the website, www.protectchem.com. For any valid claim presented under this Warranty, PCI will provide a refund for the cost of the ShieldAll® 2000 Series used for the individual dwelling or unit of the application.

Limited Warranty Period:

- 2 years for exterior applications which include exposure to environmental elements including rain and sunlight.
- 10 years for interior applications.

Qualification. To qualify for this Warranty, all of the following requirements must be met:

- The substrate for application must be free of all dirt, debris, mold or other materials that will impede bonding of ShieldAll® 2000 Series to the substrate surface.
- ShieldAll® 2000 Series must be **applied** in accordance with the material application guide located on the product data sheet.

Exclusions. This Warranty does not cover, and PCI will have no liability for any damage or failure of ShieldAll® 2000 Series caused by, or due to, any of the following:

- Use of ShieldAll® 2000 Series that is applied one year after purchase date.
- Removal, replacement and/or reparations to the surfaces treated with ShieldAll® 2000 Series made prior to notifying PCI of any claim.
- Any damage from wood boring insects prior to the application of the ShieldAll® 2000 Series products.

Warranty Claims. For a claim to be considered valid by PCI, the following conditions must be met:

- The Applicator must notify PCI within 10 days of the discovery of the alleged defect in the ShieldAll® 2000 Series product covered by this Limited Warranty.
- When making a warranty claim, Applicator will supply via email (info@protectchem.com) a copy of this Warranty, proof of product purchase, address of application, application surface type, square footage of application, gallons used for application, and photographs of the affected surface of ShieldAll® 2000 Series.
- If requested, applicator will arrange to provide PCI with a reasonable opportunity to review and investigate the alleged defect.

This limited warranty is in place of all other warranties, express or implied. PCI expressly disclaims any other warranties, including warranties of merchantability and fitness for a particular purpose. Although PCI may have suggested ShieldAll® 2000 Series for an application, it is the sole responsibility of the applicator to determine the suitability of ShieldAll® 2000 Series for the intended use and purpose. The applicator assumes all risk and liability whatsoever regarding such suitability.

The remedy stated in this Warranty takes the place of all other remedies against PCI, and is the only remedy against PCI available to the Applicator or any other party related to the purchase and use of ShieldAll® 2000 Series. In no event will PCI be liable for any special, indirect or consequential damages (including, but not limited to, lost profits, lost sales, injury to person or property or any other damages) arising out of the sale or use of ShieldAll® 2000 Series or for any use or misuse of ShieldAll® 2000 Series, regardless of the legal theory claimed, whether in tort or otherwise.
